Dear Mr. Murray,

We are requesting consideration for our property, Edgington Oil Refinery at 3450 East Fifth Street (APN 218-0-011-485 and 218-0-022-025) for designation as a Ventura County Point of Interest. Additionally, we request the Derrick at the facility be designated as a Ventura County Landmark. We request these designations in partial fulfillment of the mitigation measures proposed by the Ventura County Heritage Board during their meeting on May 23, 2022.

A Phase I Historic Resources Report assessing the significance of the property, including photographs and an Assessor Parcel map, was prepared by ASM Affiliates in December of 2020 and previously submitted to the Board for review. A copy of the parcel map is attached as well.

Sincerely,

Blain Meith
